Satellite C670

Big screen computing with all the essentials

43.9cm (17.3") Toshiba TruBrite HD+ display with LED backlighting

Multi-card reader

Available in black and white*

Slim, smart and packed with features, the Satellite C670 is an impressive laptop that comes with an equally impressive price tag. A stunning 43.9cm (17.3") TruBrite® HD+ display with LED backlighting delivers vivid, vibrant images so good you can almost feel them. The integrated DVD Super Multi drive allows you to watch your favourite movies, play games or back-up your photos and music to disc. The pre-loaded Toshiba Media Controller even enables you to stream content from your laptop to your TV or multimedia tablet without a wire in sight. Premium-grade hardware includes the 2nd generation Intel® Core™ processing technology so you can run multiple applications, edit images, email, and surf the net simultaneously, allowing you to enjoy first-class performance with no compromise. A choice of two elegant colours* also means you can pick the style that suits you. This isn't just another laptop: it's the laptop you've been waiting for.

FINGERTIP CONTROL

With a touchpad with multi-touch control, comfortable keyboard and numeric keypad, you can enjoy complete control at your fingertips.

SEE EVERYTHING

The integrated web camera keeps you in touch with friends and family all over the world. Toshiba Face Recognition also logs you on as soon as it recognises you.

HIGH SPEED CONNECTIVITY

Transfer images, music and videos wirelessly at high speeds using the latest Bluetooth® 3.0 technology with High Speed support*.

*depending on model and local availability

Satellite C670-106 PSC3NE-002009H2	
Processor / technology	Intel® Pentium® processor P6200 (2.13 GHz, 3 MB 3rd level cache)
Operating System / Platform	No Operating System pre-installed
Design Colour	Matt Black with textured pattern, black keyboard
Display	43.9cm (17.3") Toshiba TruBrite® HD+ TFT High Brightness display with 16 : 9 aspect ratio and LED backlighting, internal resolution: 1,600 x 900, response time rise + fall (Typ.): 8ms
Hard disk	320 GB (5,400 rpm) Serial ATA
System memory	3,072 (2,048 + 1,024) MB, maximum expandability: 8,192 MB, technology: DDR3 RAM (1,066 MHz)
Optical Device	DVD Super Multi (Double Layer) drive
Graphics adapter	Intel® Graphics Media Accelerator HD, up to 1,273 MB shared memory with 3 GB system memory installed, and up to 1,696 MB with 4 GB system memory, (with a 64-bit Windows® 7 operating system)
Pointing device	Touch Pad
Wired communication	Fast Ethernet LAN
Wireless communication	Wireless LAN 802.11b/g/n (Realtek)
Sound system	built-in stereo speaker , volume dial: by hot key function, Realtek
Interfaces	1 x integrated VGA Web Camera with built-in microphone , 1 x DC-in , 1 x external monitor , 1 x RJ-45 , 1 x external microphone , 2 (Right 2) x USB 2.0 , 1 x Multi-Card Reader (supports SD™ Card up to 2 GB, miniSD™/microSD™ Card with adapter up to 2 GB, SDHC™ Card up to 32 GB, SDXC™ Card up to 64 GB, Memory Stick® up to 256 MB, Memory Stick Pro™ up to 2 GB and MultiMedia Card™ up to 2 GB) , 1 x headphone (stereo)
Expansion	2 memory slots (0 to configure)
Battery	technology: lithium-ion, up to 4h00min* (Mobile Mark™ 2007). *the duration of the battery has been calculated in test conditions, values may change depending by working conditions.
Bundled hardware	AC adapter
Special features	SM BIOS compliant, HD Audio supporting, Enhanced Intel® SpeedStep® Technology
Security features	HDD password on request, slot for Kensington Cable Lock, user password, supervisor password
Physical dimensions	413.6 x 270.0 x 28.0 (front) / 37.9 (rear) mm, weight: starting at 2.83 kg
Warranty	2 years standard European (Limited) . Enhance the standard warranty with one of our additional services to extend or protect your investment. More info can be found on our website within the Service & Support area
Easy Connectivity	Built-in Web Camera & Microphone, Multi-Card Reader
Easy Usability	Display with LED backlighting, Touch Pad with Multi-Touch Control

COMPATIBLE TOSHIBA ACCESSORIES

- o Notebook Starter Kit 18.4inch, PX1441E-1NSK
- o Wireless Mouse with Bluetooth™ Technology - optical - Black/Silver, PA3573E-1ETA
- o StorE Art, 2.5inch 500GB, PA4094E-1HF0
- o Dynadock - Universal USB Docking Station with Video (DVI) Phase 2, PA3542E-2PRP
- o StorE Alu2 2.5 320GB silver, PX1624E-1HC2

Camileo S30 (black)

2.5" STOR.E ALU 2 (silver)

Wireless Optical Mouse R300 (black)

CPU performance may vary from specifications under certain conditions such as the use of battery instead of AC power, certain external peripherals, certain multimedia applications or network connections, complex modeling software and in areas with low air pressure at high altitude (1,000 metres above sea level) and/or certain temperatures. CPU performance may also vary from specifications due to design configuration. Under some conditions, your computer may automatically shut down as a normal protective measure. To avoid risk of lost data, please make periodic back-up copies. For optimum performance, use your computer only under recommended conditions. Please read detailed restrictions in the product resource guide, visit the Toshiba web site: www.computers.toshiba-europe.com and/or contact Toshiba Technical Support. - Graphics processor unit (GPU) performance may vary depending on product model, design configuration, applications, power management settings and features utilized. - Part of the main system memory may be used by the graphics system and therefore reduce the amount of main system memory available. - For PCs configured with 4 GB of system memory, the full system memory space for computing activities will be considerably less and will vary by model and system configuration. - For information about upgrading your system memory please refer to the user manual or contact your local Toshiba service provider. - One GB means one billion bytes, accessible capacity may be less. - Wired and wireless communication capabilities to be applied in countries where approved. - Battery life may vary depending on applications, power management settings and features utilized. Recharge time varies depending on usage. Battery may not charge while computer is consuming full power. After a period of time, the battery will lose its ability to perform at maximum capacity and will need to be replaced. This is normal for all batteries. To purchase a new battery pack, see your accessories information that shipped with your computer or visit the Toshiba web site at www.computers.toshiba-europe.com. - Small bright dots may appear on your TFT display when you turn on your PC. Your display contains an extremely large number of thin-film transistors (TFT) and is manufactured using high-precision technology. Any small bright dots that may appear on your display are an intrinsic characteristic of the TFT manufacturing technology. - Weight may vary depending on product configuration, vendor components, manufacturing variability and options selected. - Please check your system specifications to ensure optimal results. - Certain notebook chassis are designed to accommodate all possible configurations for an entire product series. Your selected model may not have all the features and specifications corresponding to all of the icons or switches shown on the notebook chassis. - Performance may vary depending on product model, configuration, video content/format/settings as well as the performance variations of individual hardware components. Results were achieved on select models and configurations tested by Toshiba at the time of publication.
